Description

This beautiful new two story home has 8 full size bedrooms, 4 full baths, and covers over 4,398 square feet. Complete with modern appliances and marble floors imported directly from Sweden, the spacious kitchen is set to impress. The backyard is filled with lush landscapes, a gazebo, jacuzzi, and fountain. Mahogany woodwork, updated kitchen. French doors lead to spectacular multi-level ironwood deck with party- sized hot tub and outdoor shower. Don't miss 2nd floor Narnia - a kids' playroom through the closet. Downstairs media room complete with big screen and all components.
